They laugh at my humor!!!! Seriously they are knowledgeable and so sweet to spend the time I needed to get ready for my 2 long healing implants. Explains everything; even gave me the choice to see oral surgeon. Nope!! My loyalty is with Dr Ting Feng and her associates... I'm totally comfortable with her expertise with my upcoming surgery with sedation! Yes! They have a dental anesthesiologist who will assist with my surgery. I'm a happy girl. I'll give another review after June 24th!!!!

Had a dental emergency as I was experiencing a toothache, and saw Dr. Feng for dental care. She's friendly, courteous, and has a gentle approach when working with patients. So glad I found her! Clearly she knows what she's doing as she eased my toothache pain in no time. I had such a pleasant experience at this dental office I scheduled my next cleaning with her. Highly recommended! Thank you!

It is a 5 stars dental clinic! I was received with friendly and exceptional services! The staff was so kind, friendly and accommodating. My first time here today and I definitely will be a regular patient! Not only did I get my dental hygiene in but I got to catch up with my show as well lol How good can this be? If you haven't give a chance to Dr. Feng, please do! She's very attentive and caring for every step and progress she takes to ensure that her patient is fine. Everyone is amazing! 🙌

I've never experienced a dentist office like this. The staff was super attentive and took great care for my comfort. Dr. Feng was very kind and took her time to explain everything and answer all my questions. I never thought I'd say this, but I had an amazing trip to the dentist. Thanks!

A great experience at Sloan Creek Dental. The Dentist, Dr Feng and her staff are first class. Gentle cleaning and exam. Dr. Feng is personable, professional and makes you feel so comfortable during the exam. On a scale of 1-10 the staff and Dr Feng are a 10+. We have found the best Dentist in Fairview/McKinney area of Texas. Highly recommend Dr Feng...clearly the "best of the best"!

Had my first dental appointment in years, been putting it off due to busy schedule. Dr. Feng and her team were super friendly and made my first visit a great one! Office is super clean and they do a great job taking precautions during the pandemic. Would heavily recommend and look forward to making Dr. Feng and team my long-term dental care provider!!

Brought our family of 4 for cleanings. Dr. Feng and her team were so gentle and patient with our 2 girls (6yo and 4yo). And the office feels comfortable and stylish all at once. Would definitely recommend for family dentistry - we look forward to our family's next visit!

They were able to see me ASAP and did the extraction at the same time ! The doctor even took the time call me the next day to check on me.
